write conclusion and at least three recommendations

In the end, we conclude our report on Quora, by saying that it is a great place to communicate and share knowledge with others. Where you can ask questions and get answers from a global community of users, as well as sharing your personal experiences and learn from others. It is a valuable source of knowledge and social communication in general. I am sure you will enjoy your experience with Quora.

We would also like to add three recommendations that could help improving this site, listing them as follows:

- 1-Facilitating the user interface to allow the new user or visitor to navigate easily.
- 2-Verifying user identities and prevent entering any fake users .
- 3-Adding some tools to try to avoid any copying and pasting answers from other sites
